RAJKOT, GUJRAT, INDIA

Shree Balaji Enterprise don't just manufacture hardware — we craft the first touch of every space.

ABOUT US

We don't just manufacture hardware — we craft the first touch of every space. Founded with a passion for precision and long-lasting design, Shree Balaji Enterprise (SBE) is a trusted manufacturer of premium handles, knobs, and architectural accessories fittings. Each product is a blend of engineering strength, refined aesthetics, and consistent quality, designed to perform flawlessly in everyday life. At SBE, we believe hardware is more than a functional detail. It is a statement of style, durability, and trust. From modern homes to commercial spaces, our products are created to complement architecture while standing strong against time and usage.

With advanced manufacturing processes, strict quality control, and a commitment to innovation, we deliver hardware solutions that meet the expectations of dealers, builders, interior designers, and architects across India.

Our focus is simple yet powerful:

Thoughtful design. Reliable strength. Honest value.

Why We Are Different

- Design-driven hardware with solid performance
- Premium finishing & long-lasting durability
- Consistent quality across every batch
- Dealer-friendly approach & timely supply
- Crafted for modern Indian & global interiors

Our Vision

To become a recognised and respected hardware brand, known for quality craftsmanship, innovative designs, and long-term partnerships.

Our Promise

Every handle, every knob, every fitting carries one promise — Strength you can feel. Design you can trust.
